**TERMS--\$1. per Year in Advance.**

of Phillips House, opposite Alliance  
Exchange. Telephone No. 26.

**AN URGENT CALL.**  
Every township central committee-  
man is urged to be present at the cen-  
tral committee meeting, Thursday the  
28th. Many things of importance will  
come before the meeting at that time.  
The time of holding the county con-  
vention and the plan and details of the  
campaign will be discussed and deter-  
mined. Let every committeeman  
come with a well formulated plan to  
suggest. Be sure to give this matter  
your earnest thought and be present at  
the meeting the 28th.  
R. BRUCE MAGEE, Ch'mn.  
W. D. MCKINSTRY, Sec'y.

**RATIFICATION MEETING.**  
The time for action has now arrived.  
The ratification meeting promised  
some time ago will be held in this city  
on Saturday April 30, at 2 p. m.  
Hon. Harrison B. Kelley will be here  
and address the people on the issues of  
the day. This is intended to be the  
opening gun of the campaign in this  
county and every effort will be put  
forth to make it a success. Let every  
one who is interested in good govern-  
ment turn out and hear this champion  
of the reform movement.  
R. BRUCE MAGEE, Chairman.  
M. D. MCKINSTRY, Secretary.

**Scott Here, April 30.**  
The regular quarterly meeting of the  
County Alliance will convene on Fri-  
day, April 29. The State Lecturer, Bro.  
S. M. Scott, will also be here on the 30th  
to address the people. This informa-  
tion comes from Bro. French just as  
we go to press. Tell every one and get  
out a large crowd to hear him. He will  
doubtless speak afternoon and evening.

Open the Cherokee Strip to settle-  
ment.  
The bill absolutely excluding Chi-  
nese from this country has passed the  
house. Now for a bill absolutely ex-  
cluding monopolies.

A pointer. Out of 1,500 Georgia Al-  
liances that have voted on the St. Louis  
action, 1,508 have ratified it. This is  
the official report.

The Indians have got the best of the  
Cheyenne and Arapahoe lands, which  
open next Tuesday. If congress would  
get a move on it and pass the  
Cherokee Strip bill, it would do one  
credit to itself, among the many dis-  
credits.

The Arkansas state republican con-  
vention last week enthusiastically en-  
dorsed the president and his adminis-  
tration and elected a strong Harrison  
delegation to Minneapolis. The con-  
vention decided to not place a state  
ticket in the field.--*Wichita Eagle.*

In Kansas when the democrats leave  
nominations vacant, they accuse them  
of fusion with the Alliance. But of  
course the republicans of Arkansas are  
above that!

The Wellington Voice claims that  
C. Wood Davis has come out for the  
People's party. His views have been  
so far from confirmation that the  
Voice should whisper rather than  
shout this claim.--*K. C. Times.*

Since he missed his \$2.00 prediction  
on wheat so far he has come out for  
government ownership of railroads and  
is doing some tall rustling at Washing-  
ton City to get legislation to stop the  
gambling in futures. A little further  
peering into the abstract law of supply  
and demand will make him a full-  
fledged calamity howler.

A private letter from a prominent  
citizen of the north part of the county  
contains the following truthful deduc-  
tion:

"Well, I see that you have done up  
J. G. Campbell on the Col. Donohue  
shortage and at last driven him to ad-  
mit just what you charge at the outset.  
Had such glaring disregard of law in  
office been practiced by an Alliance  
official, the associated press would  
have heralded it over the land in  
6 hours after learned, though the repub-  
licans would have covered up this steal  
had not Alliance commissioners resur-  
rected it."

Hon. Harrison Kelley, who will speak  
here on the 30th, at the ratification rep-  
resented the Fourth district in  
Congress as a republican and ran  
for re-election against the Hon.  
John G. Otis in the Fourth district in  
1890. He made the campaign against  
Otis, but no sooner emerged from it  
than he set his conscience aright by  
joining the people whom he knew to  
be on the right track. Republicans  
all earnestly invited to turn out and  
hear him. He will speak briefly in the  
afternoon and more extensively in the  
evening.

**COUNTY COMMISSIONERS.**  
The Standard Gets the County Printing for  
the Ensuing Year.  
The regular April session of the  
county commissioners met  
Monday and considerable business has  
been transacted. A large number of  
bridge men have been here working  
for the bridge contracts. The board,  
after examining twenty-two different  
bids, awarded the contracts for the  
three iron bridges to the Missouri Val-  
ley Bridge Company at \$5,994. These  
bridges are located as follows: One of  
150 foot span at the Beebe ford over the  
Ninnescah in London township;  
one in Falls township near Corbin over the  
Chikaskia 120 foot span and one on  
Slate creek immediately south of Wel-  
lington. These figures are consider-  
ably lower than the county has paid  
heretofore.

Upon petition of Edith Mummy, the  
streets, alleys, and blocks in the town  
of Milton were vacated.  
Dr. J. A. Greer was given the pauper  
practice of Ryan and Chikaskia town-  
ships for ensuing year at \$40.

The resignation of E. N. Whitlaw as  
constable of Falls township was accept-  
ed and Craton Payne was appointed to  
fill vacancy.

The resignation of W. W. Weber as  
constable of Ryan township was ac-  
cepted and Henry Ingram was appoint-  
ed to fill vacancy.

Ordered that an appropriation be  
made for the construction of a bridge  
across Nelson's run, between section  
19, Ryan township, and sec-  
tion 24, Dixon township, for all the  
cost of same in excess of \$100, which  
sum is to be paid by said Ryan and  
Dixon townships.

Official bonds of following named of-  
ficers were examined and approved.  
J. N. McDavitt, assessor city of Wel-  
lington; C. H. Harrison, constable Il-  
linois township; Geo. Freeman, trustee  
of Harmon township; Wm. Hatfield,  
treasurer of Harmon township.

Dr. J. M. Latta, was appointed pau-  
per physician for Illinois, Conway,  
Eden, Creek, Springdale and Sumner  
townships for ensuing year at \$90.

The resignation of J. J. Zimmerman  
as clerk of Harmon township was ac-  
cepted and E. A. Wood was appointed  
to fill the vacancy.

The resignation of Andrew Hender-  
son as constable of Morris township was  
accepted and T. J. Sayers appointed to  
fill vacancy.

The application of the American Pas-  
toral company for a rebate on personal  
property taxes in Falls township for  
1893 was rejected.

The quarterly report of J. W. Mc-  
Laughlin, county superintendent, for  
the first quarter of 1892, was examined  
and approved.

Ordered that Dr. W. Morgan Martin  
be appointed as pauper physician to  
treat all paupers in the city of Wel-  
lington and Wellington township, including  
the inmates at poor farms and county  
jail, and furnish all medicines and ap-  
pliances for same, for the period of one  
year, beginning April 8, 1892, for the sum  
of \$100.

The report of Willis T. Reed as su-  
perintendent of poor farm was examined  
and approved.  
This report is creditable to the new  
superintendent and if he holds up the  
present record throughout the year we  
shall begin to think that Alliance farm-  
ers are more successful than Republican  
farmers.

The county printing was let to the  
Standard at 75 per cent of legal rates.  
There were three bids: The Standard  
as above, the Monitor offered to print  
tax sale notices at 10 cents for land de-  
scriptions and 5 cents for lot descrip-  
tions (legal rates 25 and 10 cents), all  
other notices required to be published  
during the year they would insert for  
the enormous sum of \$1.00. The  
Voice bid 20 cents on land descriptions  
and 8 cents on lot descriptions and 80  
per cent of legal rates for all other leg-  
al notices. The Monitor's bid was the  
lowest, but it discovered that a republi-  
can paper stood no show with a demo-  
cratic board, even though it did help to  
elect one of the board. The vote stood  
Stewart and Fletcher for the Standard  
and Heskett for the Monitor. Jim  
Heskett has proven himself true to the  
interests of the people. Notwithstand-  
ing the low bids which have been made  
for the county printing, were prompt-  
ed by a spirit of "dare," he has spiked  
their guns both times and shown them  
that he has the courage to carry out  
the platform on which he was elected.  
He is entitled to be called the "watch  
dog of the treasury" in more ways than  
one. The Monitor is reminded that the  
upshot of their dallying with the demo-  
crats has resulted in nothing more  
than turning the county printing into  
the coffers of that party. Now who is  
the tail to the democratic kite?

The Y. M. C. A., at Decatur, Illinois,  
one day last week, appointed sentinels  
for each saloon in the city to watch  
and see how many men entered them  
during one hour in the evening. The  
count was made at twenty-eight sal-  
oons and the number of persons who  
entered these places in one hour was  
1,835. Of this number 100 were old  
men, 1,642 young men and thirty-three  
women.
